

PUBLIC NOTICE

Town of St. Joseph

St Croix County

WEIGHT RESTRICTIONS

Starting Monday, March 17, 2014

The Town of St Joseph, St Croix County, Wisconsin has posted as required all town roads limiting all vehicles as follows:

1 axle limited to 6 tons

Tandem axles limited to 10 tons

Each additional axle limited to 3 tons each

The Town asks your cooperation in limiting the size of your loads on all roads so weight restrictions may be kept to a minimum. As noted in the County Public Notice this is the time of year an eighteen wheel truck or semi-trailer has a loading effect of 6000 passenger vehicles. Weight on our roads is most critical during spring break up. Thank you for working with us on preserving our roads.

Notice posted this 10th day of March, 2014
