WOW-didn't mean for the list to get that long but some of those dates may be of interest to many of you.

Remember to license your dog(s) if you haven't had a chance yet. Fee doubles after March 31 (unless you're like me and push it to the limit and then we'll give you until **April 2nd** which is election day and a very busy day for us here).

Town audit begins tomorrow, Jan 24th, in the morning with the same accounting firm that has done it for a number of years-CliftonLarsonAllen.

And the office hours will/have changed for the short term (through April 17th). They are posted on the hall west entrance and are as follows:

Tues, Thurs, and Sat 8:30-12:30 and Wed evenings from 6-8:30pm. Messages will be checked each weekday (M-TH) evening so please leave them either on the phone, via email, through snail mail, in the silver box to the side of the west entrance or taped to the door. I'll respond hopefully that same evening or by the following evening. My apologies if this inconveniences anyone and know that I will respond as soon as I am able. My cell is still listed on the answering machine if it is an emergency that only I can address. And I'll try not to call too late.

Absolutely love long johns,

And furnaces-enjoying the moments. Hope you are too. Marie C.
