

An Invitation

The Town of St. Joseph’s River Crossing Committee will two very informative speakers at its May 6th meeting. This is a special invitation for you to hear Nick Schaff from Wisconsin DNR talk about the multiple avenues for accessing DNR grant moneys. He will also be providing an update on the River Crossing progress. Then, Jesse Garza from U.S. Representative Sean Duffy’s office, will discuss federal opportunities for grants as they coordinate with the mitigation funds and possibly other issues outside of the mitigation funds.

If you’ve been wondering about how and where to access grant funding; what funding may or may not apply to mitigations funds; what kind of matching funds municipalities might need to have; what the time lines are for application, award and distribution of funds or anything else about the grant process, these two gentlemen can either answer your questions or find the answers for you. A bonus is that Nick will be able to provide accurate, up to date information about the progress of the River Crossing.
